Incense Praise

Incense in the censer now is burning; All the Dharma realm receives the fragrance. From afar the sea vast host of Buddhas all inhale its sweetness. In every place auspicious clouds appearing, our sincere intention thus fulfilling, as all Buddhas now show their perfect body.

Homage to the Incense Cloud Canopy

Bodhisattva-Mahasattvas! (3 times)

Praise of the Precepts and Concentration

The incense of the precepts and concentration burns, reaching up to the heavens. The devotion of disciples, glowing upon the golden censer. Rising in a cloud, flowing through the ten directions. Ancient and present people prevented disasters and removed calamitous obstructions.

Homage to the Incense Cloud Canopy

Bodhisattva-Mahasattvas! (3 times)

Jewled Censer Praise

The incense burning in the jeweled censer permeates the ten directions.

We sincerely make offerings to the Dharma King.

We wish the head of the country a long life, lasting as long as heaven and earth.

We wish world peace, lasting as long as heaven and earth.

**Homage to the Incense Cloud Canopy
Bodhisattva-Mahasattvas! (3 times)**

Morning Recitation

Shurangama Mantra

Namo Shurangama Assembly of Buddhas and Bodhisattvas (3 times)

O deep and wondrous dharani unmoving Honored One,
Supreme Shurangama appears most rarely in the world.
Extinguishing deluded thoughts from countless kalpas
past, I needn't pass through aeons till the Dharma
body's gained. I wish to now attain the Way: and as the
Dharma King, I'll then return to rescue beings more
than Ganges' sands. This deep resolve I offer to the
myriad Buddhas' lands, and thus endeavor to repay the
Buddha's boundless grace. I now request the Bhagavan
to certify my quest, to enter first the evil world-the five
turbidities, If yet a single being's not accomplished
Buddhahood, Accordingly I also must renounce
Nirvana's bliss. O great in courage, great in power,
great compassionate one, I pray would now uncover
and dispel my subtlest doubts, Thus cause me quickly
to attain supreme enlightenment, and sit within the
Bodhimandas of the tenfold realms and even could the
nature of shunyata melt away, My vajra-like supreme
resolve would still remain unmoved. Namo Eternally
Abiding Buddhas of the Ten Directions, Namo
Eternally Abiding Dharma of the Ten Directions. Namo
Eternally Abiding Sangha of the Ten Directions, Namo
Shakyamuni Buddha, Namo Supreme Shurangama of
the Buddha's Summit, Namo Avalokitesvara

Bodhisattva, Namo Vajra Treasury Bodhisattva. At that time the World Honored One from the flesh mound at the crown of His head released a hundred-jewelled light. A thousand petalled rare lotus arose from the midst of the light. Seated within the precious flower was a transformation body of the thus Come One, whose crown in turn emitted ten rays of the hundred-jewelled effulgence. All the myriad lights shone round, everywhere revealing Secret Trace Vajra Spirits, many as The sands of ten Ganges rivers. Each holding aloft a mountain and wielding a pestle, they pervaded the realm of empty space. The great assembly gazed upward at once filled with fear and admiration. Seeking the Buddha's kind protection they single-mindedly listened. As, streaming light at the Buddha's invisible crown the transformation Thus ComeOne proclaimed the spiritual mantra:

Heart Sutra

The Heart of Prajna Paramita Sutra

When Bodhisattva Avalokiteshvara was practicing the profound Prajna Paramita, he illuminated the Five Skandhas and saw that they are all empty, and he crossed beyond all suffering and difficulty. Shariputra, form does not differ from emptiness; emptiness does not differ from form. Form itself is emptiness; emptiness itself is form. So too are feeling, cognition, formation, and consciousness. Shariputra, all Dharmas are empty of characteristics. They are not produced, not

destroyed, not defiled, not pure, and they neither increase nor diminish. Therefore, in emptiness there is no form, feeling, cognition, formation or consciousness; no eyes, ears, nose, tongue, body, or mind; no sights, sounds, smells, tastes, objects of touch, or Dharmas; no field of the eyes up to and including no field of mind consciousness; and no ignorance or ending of ignorance, up to and including no old age and death or ending of old age and death. There is no suffering, no accumulating, no extinction, and no way, and no understanding and no attaining. Because nothing is attained, the Bodhisattva through reliance on Prajna Paramita is unimpeded in his mind. Because there is no impediment, he is not afraid, and he leaves distorted dream-thinking far behind. Ultimately Nirvana! All Buddhas of the three Periods of time attain Anuttara-samyak-sambodhi through reliance on Prajna Paramita. Therefore know that Prajna Paramita is a Great Spiritual Mantra, a Great Bright Mantra, a Supreme Mantra, an Unequalled Mantra. It can remove all suffering: it is genuine and not false. That is why the Mantra of Prajna Paramita was spoken. Recite it like this: Gaté Gaté Paragaté Parasamgaté Bodhi Svaha! Maha Prajna Paramita (3 times)

The Prayer of Aspiration

The merits accumulated up until now by the pure assembly appearing here through recitation of the Surangama and other mantras, the assembly transfers to the Three Jewels, the nagas and devas, and the holy beings who protect the Surangama. May the sentient beings on the three paths and in the eight inauspicious life circumstances be. May the four who grant favors and the three realms of existence all receive favour. May tranquility and peace reign at the borders of the nations. May the winds be mild and rain fall at the right time. May the may weapons and armour melt away, peoples live in happiness and peace. May the members of the great assembly make splendid progress in the purification of their minds, suddenly advance to the tenth stage and remain free of difficulties. May the triple gateway remain pure and may all unforeseen threats be eliminated. May the pious donors and those taking refuge increase their merit and their wisdom.

The Buddha Speaks of Amitofo Sutra

Thus I have heard, at one time, the Buddha dwelt at Shravasti in the Jeta Grove in the Garden of the Benefactor of Orphans and the Solitary, together with a gathering of great Bhikshus twelve hundred fifty in all, all great Arhats whom the assembly knew and recognized: Elders Shariputra, Mahamaudgalyayana, Mahakasyapa, Mahakatyayana, Mahakaushila, Revata, Suddhipanthaka, Nanda, Ananda, Rahula, Gavampati, Pindola-Bharadvaja, Kalodayin, Mahakaphina, Vakkula, Aniruddha, and others such as these, all great disciples; Together with all the Bodhisattvas, Mahasattvas: Dharma Prince Manjushri, Ajita Bodhisattva, Gandhastin Bodhisattva. Nityodukta Bodhisattva, and others such as these, all great Bodhisattvas; And together with Shakra, chief among gods, and the numberless great multitudes from all the heavens. At that time the Buddha told the elder Shariputra, "Passing from here through hundreds of thousands of millions of Buddhlands to the West, there is a world called Ultimate Bliss. In this land a Buddha called Amitofo right now teaches the Dharma.

Shariputra, for what reason is this land called Ultimate Bliss?" All living beings of this country endure none of the sufferings, but enjoy every bliss. Therefore it is

called Ultimate Bliss. Moreover, Shariputra, this Land of Ultimate Bliss is everywhere surrounded by seven tiers of railings, seven layers of netting, and seven rows of trees, all formed from the four treasures and for this reason named Ultimate Bliss. Moreover, Shariputra, the Land of Ultimate Bliss has pools of the seven jewels, Filled with the eight waters of merit and virtue. The bottom of each pool is pure, spread over with golden sand. On the four sides are stairs of gold, silver, lapis lazuli, and crystal; above are raised pavilions adorned with gold, silver, lapis lazuli, crystal, mother of pearl, red pearls, and carnelian. In the pools are lotus as large as carriage wheels: green colored of green light; yellow colored of yellow light; red coloured of red light; white coloured of white light; subtly, wonderfully fragrant and pure. Shariputra, the realization of the Land of Ultimate Bliss is thus meritoriously adorned. Moreover, Shariputra, in that Buddhaland there is always heavenly music, and the ground is yellow gold. In the six periods of the day and night a heavenly rain of mandarava flowers falls, and throughout the clear morning each living being of this land, with sacks full of the myriads of wonderful flowers, makes offerings to the hundreds of thousands of millions of Buddhas of the other directions. At mealtime they return to their own country, and having eaten, they stroll around. Shariputra, the realization of the Land of Ultimate Bliss is thus meritoriously adorned. Moreover, Shariputra, in this country there are always rare and wonderful vari-coloured birds: white cranes, peacocks, parrots,

and egrets, kalavinkas, and two-headed birds. In the six periods of the day and night, the flocks of birds sing forth harmonious and elegant sounds. Their clear and joyful sounds proclaim the Five Roots, the Five Powers, the Seven Bodhi Shares, the Eight Sagely Way Shares, and Dharmas such as these. When living beings of this land hear these sounds, they are altogether mindful of the Buddha, mindful of the Dharma, and mindful of the Sangha. Shariputra, do not say that these birds are born as retribution for their karmic offenses. For what reason? In this Buddhaland there are no three evil ways of rebirth. Shariputra, in this Buddhaland not even the names of the three evil ways exist, how much the less their actuality! Desiring that the Dharma-sound be widely proclaimed, Amitofo Buddha by transformation made this multitude of birds. Shariputra, in that Buddhaland, when the soft wind blows, the rows of jewelled trees and jewelled Nets give forth subtle and wonderful sounds, like one hundred thousand kinds of music played at the same time. All those who hear this sound naturally bring forth in their hearts mindfulness of the Buddha, mindfulness of the Dharma, and mindfulness of the Sangha. Shariputra, the realization of the Land of Ultimate Bliss is thus meritoriously adorned. Shariputra, what do you think? Why is this Buddha called Amitofo? Shariputra, the brilliance of that Buddha's light is measureless, Illumining the lands of the ten directions everywhere without obstruction; for this reason he is called Amitofo.

Moreover, Shariputra, the life of that Buddha and that

of his people extends for measureless, limitless asankhyeya kalpas; For this reason he is called Amitayus. And Shariputra, since Amitofo realized Buddhahood, ten kalpas have passed. Moreover, Shariputra, that Buddha has measureless, limitless ‘Sound-hearer’disciples, all Arhats, their number incalculable; thus also is the assembly of Bodhisattvas. Shariputra, the realization of the Land of Ultimate Bliss is thus meritoriously adorned. Moreover, Shariputra, those living beings born in the Land of Ultimate Bliss are all Avaivartika. Among them are many who in this very life will dwell in Buddhahood. Their number is extremely many; It is incalculable and only in measureless, limitless Asankhyeya kalpas could it be spoken. Shariputra, those living beings who hear should vow, ‘I wish to be born in that country.’ And why? All those who thus attain are all superior and good people, all coming together in one place. Shariputra, one cannot have few good roots, blessings, virtues, and causal connections to attain birth in that land. Shariputra, if there is a good man or good woman who hears spoken ‘Amitofo’ and holds the name, whether for one day, two days, three, four, five days, six days, as long as seven days, with one heart unconfused, when this person approaches the end of life, before him will appear Amitofo and all the assembly of Holy Ones. When the end comes, his heart is without inversion; In Amitofo’s Land of Ultimate Bliss he will attain rebirth. Shariputra, because I see this benefit, I speak these words: If living beings hear this spoken they should make the vow, ‘I

wish to be born in that land.' Shariputra, as I now praise the inconceivable benefit from the merit and virtue of Amitofo, Thus in the East are also Aksobhya Buddha, Sumeru Appearance Buddha, Great Sumeru Buddha, Sumeru Light Buddha, Wonderful Sound Buddha; all Buddhas such as these, numberless as Ganges sands. In his own country, each brings forth the appearance of a vast and long tongue, everywhere covering the Three Thousand Great Thousand Worlds, and speaks the sincere and actual words, 'All you living beings should believe, praise, and hold in reverence the inconceivable merit and virtue of this Sutra of the mindful one of whom all Buddhas are protective.'

Shariputra, in the Southern world are Sun Moon Lamp Buddha, Well-known Light Buddha, Great Blazing Shoulders Buddha, Sumeru Lamp Buddha, Measureless Vigour Buddha; all Buddhas such as these, numberless as Ganges sands. In his own country, each brings forth the appearance of a vast and long tongue, everywhere covering the Three Thousand Great Thousand Worlds, and speaks the sincere and actual words, 'All you living beings should believe, praise, and hold in reverence the inconceivable merit and virtue of this Sutra of the mindful one of whom all Buddhas are protective.'

Shariputra, in the Western world are Measureless Life Buddha, Measureless Appearance Buddha, Measureless Curtain Buddha, Great Light Buddha, Great Brightness Buddha, Jewelled Appearance Buddha, Pure Light Buddha: all Buddhas such as these, numberless as Ganges sands. In his own country each brings forth the

appearance of a vast and long tongue, everywhere covering the Three Thousand Great Thousand Worlds, and speaks the sincere and actual words, ‘All you living beings should believe, praise, and hold in reverence the inconceivable merit and virtue of this Sutra of the mindful one of whom all Buddhas are protective.’ Shariputra, in the Northern world are Blazing Shoulders Buddha, Most Victorious Sound Buddha, Hard To Injure Buddha, Sun Birth Buddha, Net Brightness Buddha; all Buddhas such as these, numberless as Ganges sands. In his own country, each brings forth the appearance of a vast and long tongue, everywhere covering the Three Thousand Great Thousand Worlds, and speaks the sincere and actual words, ‘All you living beings should believe, praise, and hold in reverence the inconceivable merit and virtue of this Sutra of the mindful one of whom all Buddhas are protective.’ Shariputra, in the world Below are Lion Buddha, Well-known Buddha, Famous Light Buddha, Dharma Buddha, Dharma Curtain Buddha, Dharma Maintaining Buddha, all Buddhas such as these, numberless as Ganges sands. In his own country, each brings forth the appearance of a vast and long tongue, everywhere covering the Three Thousand Great Thousand Worlds, and speaks the sincere and actual words, ‘All you living beings should believe, praise, and hold in reverence the inconceivable merit and virtue of this Sutra of the mindful one of whom all Buddhas are protective.’ Shariputra, in the world Above are Pure Sound Buddha, King of Stars Buddha, Superior

Fragrance Buddha, Fragrant Light Buddha, Great Blazing Shoulders Buddha, Vari-coloured Jewels and Flower Adornment Body Buddha, Sala Tree King Buddha, Jewelled Flower Virtue Buddha, Vision of All Meaning Buddha, Such as Mount Sumeru Buddha: all Buddhas such as these, numberless as Ganges sands. In his own country each brings forth the appearance of a vast and long tongue, everywhere covering the Three Thousand Great Thousand Worlds, and speaks the sincere and actual words, ‘All you living beings should believe, praise, and hold in reverence the inconceivable merit and virtue of this Sutra of the mindful one of whom all Buddhas are protective.’ Shariputra, what do you think? Why is it called Sutra of the mindful one of whom all Buddhas are protective? Shariputra, if a good man or good woman hears this Sutra and holds to it, and hears the names of all these Buddhas, this good man or woman will be the mindful one of whom all Buddhas are protective, and will irreversibly attain to Anuttara-samyak-sambodhi. Therefore, Shariputra, all of you should believe and accept my words, and those which all Buddhas speak. Shariputra, if there are people who have already made the vow, who now make the vow, or who are about to make the vow, ‘I desire to be born in Amitofo’s country’, These people whether born in the past, now being born, or to be born in the future, all will irreversibly attain Anuttara-samyak-sambodhi. Therefore, Shariputra, all good men and good women, if they are among those who have faith, should make the vow, ‘I will be born in

that country.' Shariputra, just as I am now one who praises the merit and virtue of all Buddhas, all those Buddhas equally praise my inconceivable merit and virtue saying these words: 'Shakyamuni Buddha can complete extremely rare and difficult deeds, in the Saha land, in the evil time of the five turbidities, in the midst of the kalpa turbidity, the view turbidity, the affliction turbidity, the living beings turbidity, and the life turbidity. He can attain Annutara-samyak-sambodhi and for the sake of living beings, speak this Dharma which in the whole world is hard to believe.' Shariputra, you should know that I, in the evil time of the five turbidities, practice these difficult deeds, attain Annutara-samyak-sambodhi, and for all the world speak this Dharma, difficult to believe, extremely difficult!" After the Buddha spoke this Sutra, Shariputra and all the Bhikshus, all the gods, humans, and asuras, and others from all the worlds, hearing what the Buddha had said, joyously welcomed, faithfully accepted, bowed and withdrew.

Eighty-eight Buddhas Repentance Ceremony

To the greatly kind, compassionate ones who rescue living beings, The ones of great joyous giving who rescue conscious beings, The ones adorned with the light of hallmarks and fine characteristics, The assemblies return their lives in worship with utmost sincerity.

We praise and take refuge in the Diamond-Thunderbolt Superior Teachers! I take refuge with the Buddha! I take refuge with the Dharma! I take refuge with the Sangha!

At this moment my mind is made up and my 'non-active' self prays for the Reward that is called 'Blessed' by Men and Devas. Those who listened to the Buddha's Teachings and the Pratyaka Buddhas who take the smaller expedient teaching and the diverse kinds of Bodhisattvas who rely upon the Supreme Vehicle all send forth the Enlightened Mind, vowing that this shall be extended to the Dharma Realm of All Sentient Beings so that all can together and at the same time attain the Unexcelled Complete Enlightenment!

Namo Amitofo, whose body is the treasury of the Dharma Realm.

And all other Buddhas like them, World Honored Ones of all worlds, who dwell in the world forever. May all the World Honored Ones kindly be mindful of me as I repent of the offenses I have committed in this life and in former Lives throughout births and deaths without beginning, whether I have done them myself, told others to do them, or condoned their being done: such as taking things from stupas, from a Sanghan, or from the Sangha of the four directions, either taking them myself, telling others to take them, or condoning their being taken; or committing the five avici offenses, either committing them myself, telling others to commit them, or condoning their being committed; or committing the ten evils, either committing them myself, telling others

to commit them, or condoning their being committed; all such obstructing offenses, whether hidden or not, which merit my falling into the hells or among the hungry ghosts or animals or any other evil destiny, or into a lowly life, a life in the border regions, or a life as a mleccha; I now repent of and reform all the obstructing offenses I've committed. Now may all the Buddhas, World Honored Ones, certify me; may they be mindful of me. Before all the Buddhas, World Honored Ones, I further speak these words: Any good roots that I have gained in this life, or in past lives, through giving, through guarding pure precepts, simply through giving a morsel of food to an animal, or through cultivating pure conduct; any good roots from bringing living beings to accomplishment; any good roots from cultivating Bodhi; and any good roots from attaining supreme wisdom: all of them, accumulated and reckoned up throughout my lifespans, I transfer to Anuttara-samyak-sambodhi. My transference is like the transferences made by all the Buddhas of the past, present, and future. I repent of and reform every offense, compliantly rejoice in all blessings, Seek the Buddha's merit and virtue, and vow to accomplish the unsurpassed wisdom. To all Buddhas of past and present, supreme among living beings, With seas of infinite merit and virtue, I now return my life in worship. Throughout the worlds in the ten directions, before all lions among men in the past, in the present, and also in the future, with body, speech, and mind entirely pure, I bow before them all, omitting none.

With the awesome spiritual power of Samantabhadra's vows, I appear at the same time before every Thus Come One, And in transformed bodies as many as motes of dust in lands, bow to Buddhas as many as motes of dust in lands. In every mote of dust are Buddhas as many as motes of dust, each dwelling amid a host of Bodhisattvas, Throughout motes of dust in endless Dharma Realms it is the same: I deeply believe they all are filled with Buddhas. With seas of each and every sound, I everywhere let fall words and phrases, wonderful and endless. which exhaust all kalpas of the future, and praise the wide, deep sea of the Buddhas' merit and virtue. Flower garlands supreme and wonderful, music, perfumes, parasols, and canopies, and other decorations rich and rare, I offer up to every Thus Come One. fine clothing, superior incense, powdered and burning incense, lamps and candles each one heaped as high as wonderfully high mountain, I offer completely to all Tathagatas. With a vast, great, supremely liberated mind, I believe in all the Buddhas of the three periods of time: With the strength of Samantabhadra's conduct and vows, I make offerings to all Thus Come Ones everywhere. For all the evil deeds I have done in the past, based on beginningless attachment, hostility and ignorance and created by body, speech, and mind, I now know shame and repent of them all. Of all beings in the ten directions, the Learners and Those Past Study in the Two Vehicles, and all Thus Come Ones and Bodhisattvas, I rejoice in all their merit and virtues. Before the Lamps of the Worlds of the ten

directions, those who first accomplished Bodhi, I now request and beseech them all to turn the foremost, wondrous Dharma Wheel. If there are Buddhas who wish for Nirvana, I request with deep sincerity, that they dwell in the world for as many kalpas as there are dust motes in kshetras, to bring benefit and bliss to every being. All good roots from worshiping, praising, and making offerings to Buddhas, from requesting that Buddhas dwell in the world to turn the Dharma Wheel, from compliantly rejoicing, from repenting and reforming, I transfer to living beings' attaining the Buddha's Way.

May this supreme merit and virtue, be transferred throughout the unsurpassed true Dharma Realm.

To the nature and appearance of the Buddha, Dharma, and Sangha, these two truths are fused and understood by the impress of Samadhi's sea. Of all such infinite seas of merit and virtue, I now make complete transference. May all the karmic obstruction of living beings' Body, speech, and mind--view delusions, false accusations, self, dharmas, and so forth--be entirely extinguished without remainder. In every thought may my wisdom encompass the Dharma Realm, and widely cross over living beings to irreversibility, till the exhaustion of the realm of empty space, and the exhaustion of living beings, of karma and of afflictions. just as these four Dharmas are vast and boundless, I now vow that my transference will be so, too.

The Heart of Prajna Paramita Sutra

When Bodhisattva Avalokiteshvara was practicing the profound Prajna Paramita, he illuminated the Five Skandhas and saw that they are all empty, and he crossed beyond all suffering and difficulty. Shariputra,

form does not differ from emptiness; emptiness does not differ from form. Form itself is emptiness; emptiness itself is form. So too are feeling, cognition, formation, and consciousness. Shariputra, all Dharmas are empty of characteristics. They are not produced, not destroyed, not defiled, not pure, and they neither increase nor diminish. Therefore, in emptiness there is no form, feeling, cognition, formation or consciousness; no eyes, ears, nose, tongue, body, or mind; no sights, sounds, smells, tastes, objects of touch, or Dharmas; no field of the eyes up to and including no field of mind consciousness; and no ignorance or ending of ignorance, up to and including no old age and death or ending of old age and death. There is no suffering, no accumulating, no extinction, and no way, and no understanding and no attaining. Because nothing is attained, the Bodhisattva through reliance on Prajna Paramita is unimpeded in his mind. Because there is no impediment, he is not afraid, and he leaves distorted dream-thinking far behind. Ultimately Nirvana! All Buddhas of the three Periods of time attain Anuttara-samyak-sambodhi through reliance on Prajna Paramita. Therefore know that Prajna Paramita is a Great Spiritual Mantra, a Great Bright Mantra, a Supreme Mantra, an Unequalled Mantra. It can remove all suffering: it is genuine and not false. That is why the Mantra of Prajna Paramita was spoken. Recite it like this: Gaté Gaté Paragaté Parasamgaté Bodhi Svaha!

Praise

May all the four kinds of beings reach the jewelled land,
and the beings of all three realms be born from lotus
blooms. May all the myriad ghosts attain the three-fold
worthiness, and the countless sentient ones ascend the
ten grounds.

Praise to Amita Buddha

Amitofo's body is the color of gold The splendor of his
hallmarks has no peer. The light of his brow shines
round a hundred worlds, wide as the seas are his eyes
pure and clear. Shining in his brilliance by
transformation are countless Bodhisattvas and infinite
Buddhas. His forty-eight vows will be our liberation, in
nine lotus-stages we reach the farthest shore. Namo

Pure Land Verses

With one mind I return my life to Amitofo who is in the Land of Ultimate Bliss. Wishing his pure light illuminates me and his kind vows gather me in.

Now, with proper mindfulness, I praise the Thus Come One's name, in order to take the path of Bodhi and to seek rebirth in the pure land. In the past, the Buddha vowed: "If living beings who wish for rebirth in my land, and who resolve their minds with faith and joy even for just ten recitations, are not reborn there, I will not attain the proper enlightenment." Through mindfulness of the Buddha, I enter the sea of the Thus Come One's great vows, and receive the power of the Buddha's kindness. My multitude of offenses is eradicated and my good roots increase and grow. As I approach the end of life, I myself will know the time of its coming. My body will be free of illness and pain. My heart will have no greed or fondness, and my thought will not be upside down, just as in entering Chan Samadhi. The Buddha and the assembly of sages, leading me by the hand to the golden dias, will come to welcome me. And in the space of a thought I will be reborn in the Land of Ultimate Bliss. The flower will open, and I will see the Buddha, straightway hear the Buddha vehicle, and immediately attain the wisdom of a Buddha. I will cross over living beings on a wide scale, fulfilling my Bodhi vows. All Buddhas of the ten directions and the three periods of time! All Bodhisattvas, Mahasattvas! Maha-Prajna-Paramita.

Verse of Mahametta Bodhisattva's Vows

Of the Buddhas of the ten directions and tree periods of time, Amitabha Buddha is supreme. With his nine grades of lotus flowers to liberate living beings, And his measureless and sublime majestic awe. I take refuge in him, And repent my transgression of the three karmas. All merit and virtue that I have , I sincerely dedicate. And vow that all reciters of the holy name, may have a vision. And the Western Realm at death, which appears clearly before them. Through vision, hearing and effort, may they all be reborn in the land of Ultimate Bliss. Have a vision of the Buddha and end the cycle of birth and death, to liberate all as the Buddha himself.

I vow to cut off the endless afflictions, and to study the countless Dharma teachings, I vow to deliver the innumerable sentient beings, and to complete the supreme way of the Buddha. Until the void is emptied I vow to work endlessly. All Buddhas of the ten directions and the three periods of time! All Bodhisattvas, Mahasattvas! Maha-Prajna-Paramita.

Universal Worthy Bodhisattva's Verse of Exhortation

This day is already done. Our lives are that much less.
We're like fish in a shrinking pond. What joy is there in
this? Great Assembly! We should be diligent and
vigorous, as if our own heads were at stake. Only be
mindful of impermanence and be careful not to be lax.

The Three Refuges

To the Buddha I return and rely, vowing that all living
beings understand the great way profoundly and bring
forth the Bodhi mind.

To the Dharma I return and rely, vowing that all living
beings deeply enter the sutra treasury, and have wisdom
like the sea.

To the Sangha I return and rely, vowing that all living
beings form together a great assembly, one and all in
harmony.

Heart Sutra

The Heart of Prajna Paramita Sutra

When Bodhisattva Avalokiteshvara was practicing the profound Prajna Paramita, he illuminated the Five Skandhas and saw that they are all empty, and he crossed beyond all suffering and difficulty. Shariputra, form does not differ from emptiness; emptiness does not differ from form. Form itself is emptiness; emptiness itself is form. So too are feeling, cognition, formation, and consciousness. Shariputra, all Dharmas are empty of characteristics. They are not produced, not destroyed, not defiled, not pure, and they neither increase nor diminish. Therefore, in emptiness there is no form, feeling, cognition, formation or consciousness; no eyes, ears, nose, tongue, body, or mind; no sights, sounds, smells, tastes, objects of touch, or Dharmas; no field of the eyes up to and including no field of mind consciousness; and no ignorance or ending of ignorance, up to and including no old age and death or ending of old age and death. There is no suffering, no accumulating, no extinction, and no way, and no understanding and no attaining. Because nothing is attained, the Bodhisattva through reliance on Prajna

Paramita is unimpeded in his mind. Because there is no impediment, he is not afraid, and he leaves distorted dream-thinking far behind. Ultimately Nirvana! All Buddhas of the three Periods of time attain Anuttara-samyak-sambodhi through reliance on Prajna Paramita. Therefore know that Prajna Paramita is a Great Spiritual Mantra, a Great Bright Mantra, a Supreme Mantra, an Unequalled Mantra. It can remove all suffering: it is genuine and not false. That is why the Mantra of Prajna Paramita was spoken. Recite it like this: **Gaté Gaté Paragaté Parasamgaté Bodhi Svaha!**

Praise to the Patriarchs

As the flower was held aloft, enlightenment was transmitted, and the path of the patriarchs first began. Continuing the "4 x 7", the true vehicle is proclaimed. Six generations, the far-reaching transmission of the lamp, for many generations it is successively received. So that the proper dharma may flourish gloriously

**forever! Namo to the masters who cross people over,
